Vocabulary

Totalitarian: of or relating to a political regime based on subordination of the individual to the state and strict control of all aspects of the life and productive capacity of the nation especially by coercive measures (such as censorship and terrorism)

Biro: a kind of ballpoint pen.

Downdraft: a downward current or draught of air.

Plaque: an ornamental tablet, typically of metal, porcelain, or wood, that is fixed to a wall or other surface in commemoration of a person or event.

Lunar Module: a small craft used for travelling between the moon's surface and an orbiting spacecraft formerly known as lunar excursion module or LEM.

Retroreflector: a device which reflects light back along the incident path, irrespective of the angle of incidence.
