This is the Lopez family. They are planning a vacation to the Caribbean.

Good Morning.
Welcome to
Super Vacation
Travel Agency.
How may I help
you?

I'm interested in
taking a cruise to
the Caribbean
Islands. Can you
give me some
information about
my options?

The ship you will stay on is very luxurious. It will sail to certain Caribbean islands; you can get off and see the sights.

Anywhere between 400€ to 1000€. It depends on the kind of room you want.

How much will the room on the cruise cost?

TRAVEL

The ship will leave on 17th May for a 15-day trip to the Caribbean.

Yes, of course.

Enjoy your cruise.

Can you book a room with a double bed on the cruise, please?

Thank you.

Role Play: On The Cruise

There are more than 700 islands there.

We are finally going to visit the Caribbean islands.

Are we going to visit all of them?

How many islands are there in the Caribbean?

Ha ha. No Amy,
we are only
visiting Aruba
and Bonaire.

The beaches
in Aruba are
very
beautiful.

Cool!

I have heard
they have pink
flamingos on
the beaches.

Pink Flamingos on the beach.

We can go diving in Bonaire.

We can visit the Bonaire marine national park for diving- we can see coral reefs, flamingos, and green turtles.

We can go sailing, Tim.

Can we also do something besides diving?

A person swimming beside a green turtle.
