

The Doctor Gives Medicine

Words:

1) COLD

2) FEVER

3) AS

4) CHECK

5) TEMPERATURE

6) LITTLE

7) TRIP

8) PLANNED/PLAN

9) MEDICINE

10) CHEMIST

Conversation:

Hello doctor, I have a cold and maybe getting a fever as well.

Let's check your temperature...okay, it is a little high.

What do I do now? I have a trip planned for next week!

I'll write down the name of a medicine which should help you.

Where do I get the medicine from?

You can buy it from chemist. They are just down the road.

Thanks, doctor. Bye.
