

The Tortoise and the *Hare*

There once was a speedy Hare who bragged about how fast he could run

Tired of hearing him boast, the Tortoise challenged him to a race. All the animals in the forest gathered to watch.

So a course was fixed and a start was made.

The Hare ran down the road at full speed.

While the Tortoise ran at his own speed.

To show his contempt for the Tortoise, he soon stopped and lay down to have a nap. He looked back at the tortoise and cried out, "How do you expect to win this race when you are walking along at your slow, slow pace?"

The Hare stretched himself out alongside the road and fell asleep, thinking, "There is plenty of time to relax."

The Tortoise walked and walked; never ever stopping until he came to the finish line

The animals who were watching cheered so loudly for Tortoise, that they woke up Hare. The Hare stretched and yawned and began to run again, but it was too late. Tortoise was already over the line
