Vocabulary

Trend: (in this context) a fashion.

Seasonal Product: Products that are not available in the market during certain seasons or periods of the year.

Vendors: people who sell things, for example food or newspapers, usually outside on the street.

Booths: a small tent or temporary structure at a market, an exhibition or a fairground, where you can buy things, get information or watch something.

Antiques: a collectable object such as a piece of furniture or work of art that has a high value because of its age and quality.

Second-hand: (of goods) having had a previous owner; not new.

Collectables (also collectibles): objects that are worth collecting because they are beautiful or may become valuable in the future.
