Vocabulary

Disparity: a great difference.

Inoculate: to introduce something into the mind of.

Exempt: to excuse someone or something from a duty, payment, etc.

Trickle-down: used to refer to a situation in which something that starts in the high parts of a system spreads to the whole of the system.

Audits: to make an official examination of the accounts of a business and produce a report.

Proactively: taking action by causing change and not only reacting to change when it happens.
