Vocabulary

Conference: a formal meeting of people with a shared interest, typically one that takes place over several days.

Theme: the subject of a talk, piece of writing, exhibition, etc.; a topic.

Debut: the occasion when someone performs or presents something to the public for the first time.

Attendee: a person who attends a conference or other gathering.

Projector: a device that uses light and lenses to take an image and project a magnified image onto a larger screen or wall.

Coordinated: effectively organized so that all the parts work well together.
