Meaning

➢ The Future Continuous Tense is used to express an ongoing action in future.

➢ Example: She will be cooking tonight.

The above example conveys the ongoing nature of an action (cooking) which will occur in future.

➢ Here's how to make a sentence in future continuous tense:
(will + be + verb-ing)

➢ Examples:

1) I will be working. (will + be + work-ing)
2) He will be studying tomorrow. (will + be + study-ing)
