Adverbials are important because they can change or amend almost any of the basic sentence patterns in English. They are one of the reasons, sentences are longer than the basic sentence structures. There is more information to a sentence when adverbial phrases are added. Let's look at how much we remember about using adverbial phrases of 'Extent' and 'Probability' correctly.

"This project is extremely important, but it has no budget, no guidelines, no support staff and it's due tomorrow morning. At last, here's your chance to really impress everyone!"
