- Exercises.

Here's What We
Will Be Learning
in this
Presentation:

Vocabulary

Conference: a formal meeting of people with a shared interest, typically one that takes place over several days.

Economy Class: on an aeroplane, an economy class ticket or seat is the cheapest available.

Business class: a class of seating in an aircraft that is superior to economy class but less expensive than first class, intended especially for people travelling on business.

Last-minute: done or occurring at the latest possible time before an event.
