"No kidding! I really thought the term, '*bean counter*' was just a slang term."

Office Slang

C1-C2

Module 5

Introduction

You're a week into your new job and your boss stops by your cubicle and says, "Can we grab some time to go over the restructuring of the sales team?"

Huh?

It might feel like he is speaking another language with all the jargons he just used.

So, if office lingo has your head spinning, here's your guide.
