

20000 Leagues Under The Sea (Measurements)

A1-A2

Module 6

Summary

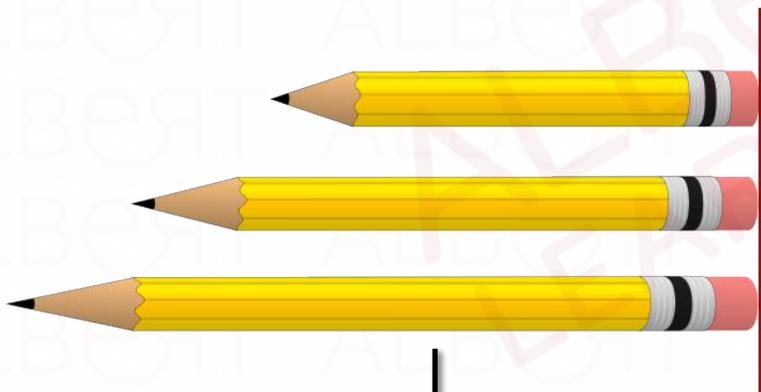

- ❑ We are going to learn measurements- height, length, width and depth.
- ❑ Exercises.

Here's What We
Will Be Learning
in this
Presentation:

Length

Length shows how **long** some **thing** or **object** is.

The **length** of these pencils.

The **length** of this bottle.
