Vocabulary

Geek: someone who is intelligent but not fashionable or popular.

Whovian: an enthusiastic fan of the BBC television programme "Dr. Who".

Tardis: in the BBC television programme "Dr. Who", a vehicle used by the Doctor to travel through time, that looks like a blue telephone box from the outside but is like a large spacecraft on the inside.

Sampler: a product that contains some examples or features of something, so that customers can get an idea of what it is like.

Steerage: in the past, the part of a ship in which passengers with the cheapest tickets travelled.
