into the box

out of the box

around the box

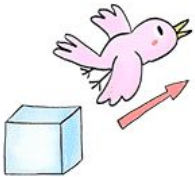

on to the box

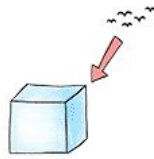

off the box

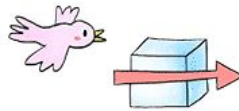

over the box

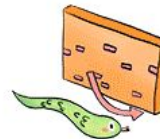

away from the box

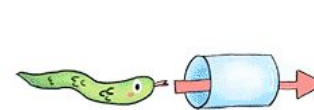

toward the box

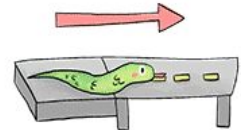

past the box

under the wall

through the pipe

across the bridge

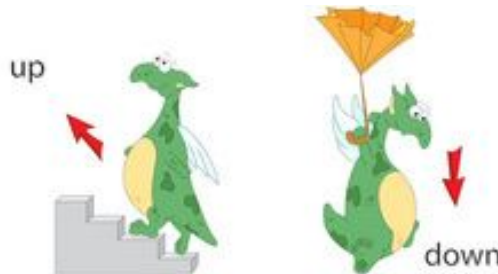

up the stairs

down the stairs

Prepositions of movement are prepositions that indicate how one thing is moving in relation to another.

- A movement is shown with the aim of a specific destination.
- Prepositions are used to show movement from one place to another.
- Prepositions of movement are also called prepositions of directions.
