Introduction

The Taj Mahal which means "Crown of the Palace" is an ivory-white marble **mausoleum** on the south bank of the Yamuna river in the beautiful indian city of Agra.

Famous as one of the wonders of the world, it was built in 1632 by the Mughal emperor Shah Jahan in memory of his beloved wife, Mumtaj Mahal. It is an epitome of true love and passion. The architectural beauty and magnificence of the Taj Mahal has never been surpassed.

The tomb is the centrepiece of a 17-hectare complex, which includes a mosque and a guest house, and is situated in formal gardens bounded on three sides by a **crenellated** wall.
