Introduction

What are Contractions?

Contractions are two words that have been condensed into one. We use contractions every day when we speak. We use them in informal writing, too. They are formed by inserting an apostrophe to replace one of the letters.

Am/Is/Are

Combining the pronouns : I, you, she, he, it, we and they, with the words ‘am’, ‘is’, and ‘are’, creates some contractions. Here’s how:
