Vocabulary

Flaunted: to show something you are proud of to other people, in order to impress them.

Woven: (past participle of "weave") to make cloth, a carpet, a basket, etc. by crossing threads or strips across, over and under each other by hand or on a machine called a loom.

Treated: (in this context) to use a chemical substance or process to clean, protect, preserve, etc. something.

Manifold: many; of many different types.

Foam: a soft light rubber material, full of small holes, that is used for seats, mattresses, etc.
