

Necessary Gears For Adventure Tour

A top-down view of various photography and videography equipment neatly arranged on a light-colored wooden floor. The gear includes two Canon DSLR cameras, several lenses (including a large telephoto lens), two Canon Speedlite flashes, a GoPro, a DJI Phantom 4 drone with its remote, a black backpack, a tablet, a smartphone, headphones, and various batteries and accessories. The items are organized in a grid-like fashion, showcasing a comprehensive kit for an adventure tour.

Backpack

Water repellent jacket
