Vocabulary

Modelling: using (a system, procedure, etc.) as an example to follow or imitate.

Expertise: expert skill or knowledge in a particular field.

Empathy: the ability to understand and share the feelings of another.

Sounding Board: a person or group whose reactions to suggested ideas are used as a test of their validity or likely success before they are made public.

Devil's Advocate (noun): a person who expresses a contentious opinion in order to provoke debate or test the strength of the opposing arguments.
