

An illustration of the Earth from space, showing green continents and blue oceans. A large, light-yellow speech bubble is positioned above the Earth, containing the text "Educators help change the world every single day." The background is a dark space filled with stars and a faint, light-yellow spiral galaxy.

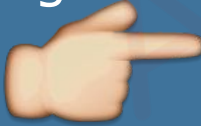

"Educators help change
the world every single day."

Educators

B2 – C1

Module 2

Here's What We
Will Be Learning
in this
Presentation:

Summary

- ☐ Introduction.
- ☐ Types of Educators.
- ☐ Exercises.

Vocabulary

Acquisition: the learning or developing of a skill, habit, or quality. (in this context).

Worship: the feeling or expression of reverence and adoration for a deity.

Compile: produce (a list) by assembling information collected from other sources.

Syllable: a unit of pronunciation having one vowel sound, with or without surrounding consonants, forming the whole word or a part of a word.

For example, there are two syllables in *water* and three in *inferno*.

Exemplar: a person or thing serving as a typical example or appropriate model.

Gurukul: a type of residential school in India, with pupils living near the Guru, often in the same house.
