# Introduction

Holidays are all about spending quality time with your loved ones. There's no better way to do this than to share new experiences, take in new sights and explore new destinations together.

Travel as a family with younger children, as a couple in search of that special something, with friends to let loose, or as a solo traveller to soak up the culture.

Whether you're after half-term sunshine, a trip to the Antarctic or simply something new, here is a map with the perfect holiday ideas.
