Vocabulary

Voluntary: done, given, or acting of one's own free will.

Charity: the voluntary giving of help, typically in the form of money, to those in need.

Agency: a business or organization providing a particular service on behalf of another business, person, or group.

Proceeds: money obtained from an event or activity.

Bid: offer (a certain price) for something, especially at an auction.

Attendee: a person who attends a conference or other gatherings.
