

# 20000 Leagues Under The Sea (Measurements)

A1-A2

Module 6

# Summary

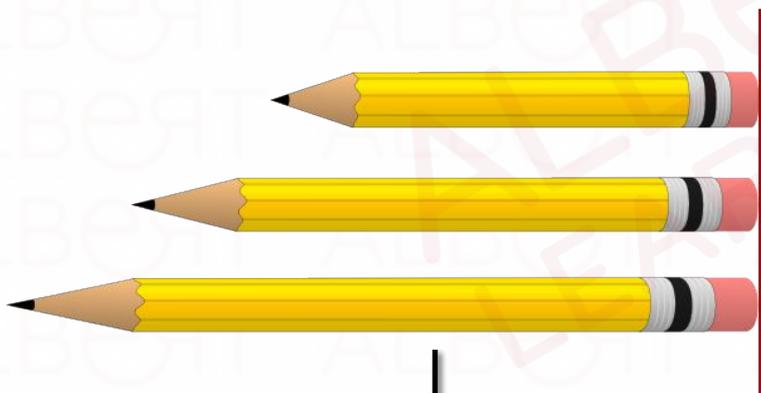

- ❑ We are going to learn measurements- height, length, width and depth.
- ❑ Exercises.

Here's What We  
Will Be Learning  
in this  
Presentation:

# Length

Length shows how **long** some **thing** or **object** is.

The **length** of these pencils.

The **length** of this bottle.
