Vocabulary

Slithers: to move easily and quickly across a surface while twisting or curving.

Manifests: to show something clearly, through signs or actions.

Viciously: people or actions show an intention or wish to hurt someone or something very badly.

Photoshopped: to use the computer program Photoshop to make changes to a digital image.

Assumptions: something that you accept as true without question or proof.

Speculating: to guess possible answers to a question when you do not have enough information to be certain.
