

Unemployment

Vocabulary

Outweigh: To exceed in value, importance, influence, etc.

Despise: to feel a strong dislike for someone or something because you think that that person or thing is bad or has no value.

Subsequent: happening after something else.

Surfaces: If a feeling or information surfaces, it becomes known.

Pass off: if an event passes off in a particular way, it happens in that way.

Introduction

The inability to secure a job to support oneself financially is called unemployment. Some individuals might not want to work, but many wish they had a job. The negative effects of unemployment on society **outweigh** the positive effects. This presentation focuses on the positive and negative effects of unemployment which is a worldwide phenomenon.
