Vocabulary

Abhor: to hate a way of behaving or thinking, often because you think it is not moral

Tapestry: used in reference to an intricate or complex sequence of events.

Commensalism: an association between two organisms in which one benefits and the other derives neither benefit nor harm.

Biotic: involving, caused by, or relating to living things in the environment.

Heterotrophic: An organism that cannot manufacture its own food and instead obtains its food and energy by taking in organic substances, usually plant or animal matter.

Beguiling: charming or enchanting, often in a deceptive way.
