VOCABULARY

Coveted: greatly desired. For example: The most coveted seats in airplanes are aisle seats.

Showcase: (In this context) exhibit; display. For example: His albums showcase his talent for singing and playing the guitar.

Cosmopolitan: containing or having experience of people and things from many different parts of the world. For example: London is another example of a cosmopolitan city.

Subdued: (In this context) if a colour or light is subdued, it is not very bright. For example: Her wardrobe has a blend of bright and subdued colours.

Opulent: expensive and luxurious. For example: His inheritance will not support his opulent lifestyle.
