Vocabulary

Free trade: international buying and selling of goods, without limits on the amount of goods that one country can sell to another, and without special taxes on the goods bought from a foreign country.

Robust: (of a person or animal) strong and healthy, or (of an object or system) strong and unlikely to break or fail.

Prosperity: the state of being successful and having a lot of money.

Trade fair: an exhibition at which businesses in a particular industry promote their products and services.
