

# Prepositions of place

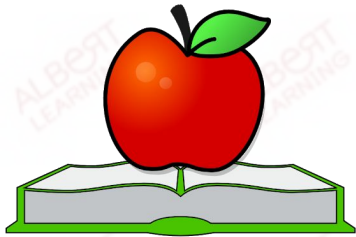

# What is Preposition of place?

- A preposition of place is a preposition which is used to refer to a place where something or someone is located.
- There are only three main prepositions of place, **IN**, **ON** and **AT**. They can be used to discuss an almost endless number of places. We are going to learn some more prepositions of place in this presentation.
- Prepositions of place allow you to be very specific when talking about where actions take place in stories or when discussing important details for communication purposes.

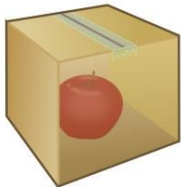

# Some commonly used prepositions

on

**ON** - something displayed on something

An apple is **on** the book.

in

**IN** - something contained inside an area

An apple is **in** the box.

at

**AT** - used to show an exact position eg. at the door, party etc. or a particular place i.e. with the name of the building. eg. school, home, office etc.

The children are **at** school.
