ALBERT LEARNING

# Introduction

A friend is a person with whom we have fun with and one we trust/depend a lot.

The best friend could be the first person we call to share the good news and celebrate or take the suggestions. Sometimes best friends are siblings, cousins, spouses etc.

# Friends do this!

**Reliable (able to be trusted)**

★ They are ever to be trusted and keep your secret, a secret!

**Faithful (true to one's word)**

★ Friends stay with you when you are happy or sad
