

Body Language

B2 – C1
Module 1

Here's What
We Will Be
Learning:

SUMMARY

- ❑ What is body language?
- ❑ Some expressions we use everyday with meanings and examples.
- ❑ Exercises.

DEFINITION

Body language is a kind of nonverbal communication, where thoughts, intentions, or feelings are expressed by physical behavior, such as facial expressions, body posture, gestures, eye movement, touch and the use of space. Body language exists in both animals and humans, however, this presentation focuses on interpretations of human body language, also known as kinesics.

Let us study few common gestures we use everyday:
