Vocabulary

Pertinent: relating directly to the subject being considered.

To tighten the grip: to control a place or situation more strictly

Recoup: to get back money that you have spent or lost.

Free culture: Free culture is a growing understanding among artists and audiences that people shouldn't have to ask permission to copy, share, and use each other's work; it is also a set of practices that make this philosophy work in the real world.

Digital commons: a digital commons is a discreet online resource that is collaboratively developed and managed by a community.

Examples include Wikipedia, etc.
