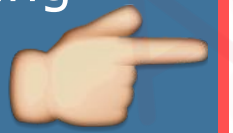
At The Chemist

A1 – A2

Module 10

© Albert-Learning

Here's What We Will Be Learning in this Presentation:



Summary

- Who is a chemist?
- New words about the chemist.
- Exercises.

© Albert-Learning

A chemist is a ***place*** where you can buy medicines.

Oh, you can also call it a **pharmacy** or a **drugstore**.

The person selling the medicines is called a **pharmacist**.

Chemist

Pharmacist
