ALBERT LEARNING

Vocabulary

Round trip: If you make a round trip, you go on a journey and return to where you started from.

Business class: travelling conditions on an aircraft that are better than the conditions you get when you travel more cheaply.

Economy class: (using) the cheapest and least comfortable type of seats on an aircraft

First class: relating to the most expensive and highest quality service on a plane or train, or in a hotel.

Aisle: a long, narrow space between rows of seats in an aircraft, cinema, or church.

Allergy: a condition that makes a person become sick or develop skin or breathing problems because they have eaten certain foods or been near certain substances.

Hello, I would like two tickets to Belize, please.

Tonight.

Of course. When do you plan to travel?
