# Introduction

Have you ever heard of the concept of decent work? Well, decent work sums up the aspirations of people in their working lives. It involves productive opportunities for work that delivers a fair income, security in the workplace and social protection for families, better prospects for personal development and social integration, freedom for people to express their concerns, the ability to organize and participate in the decisions that affect their lives and equality of opportunity and treatment for all women and men.

In this presentation, we are going to take a look at some characteristics of a favorable working environment as well as some risks dishonest employers expose their staff to.
