Vocabulary

In a nutshell: in a very clear way, using few words.

Broaden somebody's horizons: to increase the range of things that someone knows about or has experienced.

Forgo: to decide not to have or do something that you would like to have or do.

Up-to-date: modern, recent, or containing the latest information.

Day by day: every day, or more and more as each day passes.

Thrive: to grow, develop, or be successful.
