Students are responsible for familiarizing themselves with the University Code of Student Conduct, as on enrollment with the University the student has placed themselves under the policies and regulations of the University and all of its duly constituted bodies. Disciplinary authority is exercised through the Student Conduct Committee. The Committee has procedures in place for hearing allegations of misconduct. Copies of the student conduct code are available at the Student Services Office.

Academic dishonesty is never condoned by the University. This includes cheating and plagiarism, which violate the Student Conduct Code and could result in expulsion or failing the course.
