

Africa's Water

From this

To this

Vocabulary

Traverse: to move or travel through an area.

Scarcity: a situation in which something is not easy to find or get.

Eden: in the Bible, the garden where the first humans, Adam and Eve, lived in perfect happiness before they did not obey God and were ordered by him to leave.

Ironic: interesting, strange, or funny because of being very different from what you would usually expect.

Arid: very dry and without enough rain for plants.

Rainwater harvesting: Rainwater harvesting is the accumulation and storage of rainwater for reuse on-site, rather than allowing it to run off.

Hindrance: something that makes it more difficult for you to do something or for something to develop.

Water Sources In Africa:

The main sources of water, freshwater and groundwater, are both in use as water resources by Africans. The major freshwater sources (Zambezi, Volta, etc.) **traverse** boundaries of multiple countries in the sub-Saharan region.
