

# Agreement and Disagreement

## Agreement

An agreement is the situation in which people have the same opinion, or in which they approve of or accept something.

*Eg:*

A: What a great movie!

B: I know, it was so entertaining!

More formally, an agreement is a negotiated and typically legally binding arrangement between parties as to a course of action.

*Eg:* The dispute was settled by an agreement that satisfied both sides.

## Disagreement

Disagreement is a situation in which people have different opinions, or an inability to agree

Example:

*A: Should we try that restaurant? I hear the food is cheap!*

*B: Their food is supposed to be bad, though. There's a reason the food is cheap!*

*A: Yeah but I need to save money for my Mom's Christmas gift!*
