

Articles before Countable and Uncountable Nouns

Articles – With Countable And Uncountable Nouns

A2 – B1

Module 8

Here's What
We Will Be
Learning in this
Presentation:

Summary

- ❑ Let us learn how to use articles with countable and uncountable nouns.
- ❑ Exercises.

Countable And Uncountable Nouns

Countable nouns are objects or people that we **can count**.

Like: bananas, books, babies, etc.

Uncountable nouns are the names of materials, liquids, and other things that we **cannot count**.

Like: salt, hair, water, etc.
