

## Articles – With Countable And Uncountable Nouns

A2 – B1 Module 8

ALBERT

## Summary

Here's What We Will Be Learning in this Presentation:

☐ Let us learn how to use articles with countable and uncountable nouns.

Exercises.

## Countable And Uncountable Nouns

**Countable nouns** are objects or people that we can count.

Like: bananas, books, babies, etc.

Uncountable nouns are the names of materials, liquids, and other things that we cannot count.

Like: salt, hair, water, etc.
