

Body Language

What does body language mean?

Body language is a type of communication which includes gestures, expression, body posture etc. 7% of communication is conveyed through words, 38% is conveyed through intonation, pitch, pauses, etc and 55% is conveyed by Body language.

Let your body talk: Some common gestures

Shrug: raise (one's shoulders) slightly and momentarily to express doubt, ignorance, or indifference.

E.g: I asked if he wanted to go out to dinner, and he just shrugged.
