VOCABULARY

Proactive: (of a person or action) creating or controlling a situation rather than just responding to it after it has happened. For example: Susan is very proactive in community activities.

Sharp: (in this context-of an action or change) sudden and marked. For example: A sharp rise in fuel prices affects trade.

Propel: (in this context) spur or drive into a particular situation. For example: Hunger propelled her out of bed.

Infectious: likely to spread or influence others in a rapid manner. For example: Keith's smile is infectious.
