

## **Comparative Adjectives**

Comparative adjectives are used to compare differences between the two objects they modify (larger, smaller, faster, higher). They are used in sentences where two nouns are compared, in this pattern:

## Noun + verb + comparative adjective + than + noun

Note: The second item of comparison can be omitted if it is clear from the context.

## Examples:

- My house is larger than hers.
- This box is smaller than the one I lost.
- Your dog runs faster than Jim's dog.
- The rock flew higher than the roof.
- Jim and Jack are both my friends, but I like Jack better. ("than Jim" is understood)
