## Vocabulary

Sweatshop: a factory or workshop, especially in the clothing industry, where

manual workers are employed at very low wages for long hours and under poor conditions.

**Endemic**: (of a disease or condition) regularly found among particular people or in a certain area.

For eg: Complacency is **endemic** in the industry today.

**Feel the pinch**: to have problems with money because you are earning less than before.

**Evading**: to avoid or escape from someone or something.
