

# Get Well Soon!

A1 – A2

Module 10

Here's What We  
Will Be Learning  
in this  
Presentation:

# Summary

- ❑ Let us learn about some common illnesses and how to check if you have them.
- ❑ Exercises.

People fall ill every day.

Today, let us learn about some common illnesses  
and their **signs**.

**Signs of an illness:**

*For example:* When a doctor can tell you that you have a cold by checking to see if you are sneezing, you have a runny nose, etc.
