

Ghost Stories

Vocabulary

Shiver (up and) down *your spine* : a frightened or excited feeling.

Fictitious : invented and not true or not existing:

Supernatural: caused by forces that cannot be explained by science:

Inconsolable : so sad or disappointed that it is impossible for anyone to make you feel better.

Terrify: to frighten someone very much.

Crib: a small bed for a baby or young child with high bars around the sides so that the child cannot fall out.

Freak out : to become or cause someone to become extremely emotional; very afraid.

Buried: to put something in a place where it is difficult or impossible to find or see.

Peek: to look, especially for a short time or while trying to avoid being seen.

Reprimand: to express to someone your strong official disapproval of them.

Creak : When a door, floorboard, etc. creaks, it makes a long low sound when it moves or is moved:

Shuffle: to move similar things from one position or place to another, often to give an appearance of activity when nothing useful is being done
