Worldwide - extending or reaching throughout the world.

Codify - arrange (laws or rules) into a systematic code.

Introduction

As the name suggests, ice hockey is a form of the sport hockey that is played on ice. Ice hockey is a contact sport meaning it requires physical contact between players. The players use ice skates which makes the game **fast-paced** and an exciting viewing experience. In the countries where this sport is popular it is simply called hockey while it is called ice hockey in countries where the term 'hockey' often refers to 'field hockey'. Ice hockey is widely popular in the USA, Canada, Nordic countries, and by some countries in Europe.
