Role Play Between Two Sisters

Hey, sis!
How are
you?

Hi Amy,
I'm fine.
How was
school?

It was fun.
Did you see
the picture I
uploaded on
Facebook
today?

Why would you say that? I
like uploading pictures and
updating my status. All my
friends do it.

Yes, I did. It's a nice picture
of you and Jack. But Amy, I
don't think it is necessary
to upload everything you do
on Facebook.
