Vocabulary

Overwhelm: to be so bad or so great that a person cannot deal with it.

Erratic: not happening at regular times; not following any plan or regular pattern.
(*Eg: The electricity supply here is erratic.*)

Strokes: a sudden serious illness when a blood vessel (= tube) in the brain bursts or is blocked, which can cause death or the loss of the ability to move or to speak clearly.

Meditation: the practice of thinking deeply in silence, especially for religious reasons or in order to make your mind calm.

Clutter: to fill a place with too many things, so that it is untidy.

Perk Up (informal): to become or to make somebody become more cheerful or lively, especially after they have been ill/sick or sad.
